Sean Connery, First James Bond, Dies at 90

tonyodarg.wordpress.com/2020/11/02/sean-connery-dies

Tony Odarg November 2, 2020

Legendary Scottish actor Sean Connery has died at the age of 90 in the Bahamas, having been reportedly unwell for some time. He was the first to play the iconic role of James Bond, a total of seven times. In terms of the era of movies he played, 60s-90s, he was one of my favorites. Rest in Power!
